These lands are offered for a cash bonus in addition to the stipulated royalties and rental of $1.25 per acre per annum. The successful and responsible bidder will be required to pay in advance an annual rental of $1.25 per acre, the cost of advertising, and a filing fee of $5.00 for each lease upon which his bid is accepted.

A deposit of 20 per cent of the bonus bid and 20 per cent of the advance rental for the first year must accompany the bid and be in the form of a certified check or bank draft drawn on a solvent bank payable to the Treasurer of the United States.

No individual, corporation, partnership, company or association shall be permitted to hold under lease for oil and/or gas mining purposes Indian tribal lands and restricted allotted Indian lands in any one State in excess of 15,360 acres in the aggregate. Acreage leased by an officer or director of a corporation, company, or association, or by a stockholder holding 40 per cent or more of the stock of the corporation, company, or association, shall be charged against the corporation, company, or association and vice versa. The acreage leased by a member of a partnership shall be charged against the partnership and vice versa. The acreage of corporations, companies, or associations having common stockholders owning majority of the stock of each corporation, company, or association, or having one or more common officers or directors shall be charged against each other.

Bids for a minimum of a single tract, or for several or all of theh tracts of the area offered, will be entertained and the successful bidder on such units will be required to take leases on the lands subject to the understanding that separate lease contracts will be issued on each unit as listed, according to ownership, and all conditions of this advertisement shall apply to each separate lease contract so made.

The sale will be held and the leases executed in accordance with the Act of March 3, 1909, (35 Stat. 781, 783), the Act of May 11, 1938 (52 Stat. 347), the regulations approved October 8, 1937 (25 C. F. R. Part 189) as to allotted lands (see amendment to Section 189.13, May, 1947) and those approved May 31, 1938, (25 C. F. R., Part 186) as to tribal lands, (see amendment to Section 186.9, May 1947.) Lease Form 5-157 (June, 1939) will be used for tribal land lease contracts, and Lease Form 5-154h (September, 1943) for allotted land lease contracts.

Failure of the successful bidder to comply with the terms of the sale and the regulations, will render his deposit liable to forfeiture in the discretion of the Commissioner of Indian Affairs. Leases filed after 20 days from date of mailing to lessee for execution will be subject to revaluation of bonus, if permission is not granted for an extension of time. Sales will be cancelled and deposits forfeited at the expiration of the 20-day filing period unless for good and sufficient reason, an extension of the filing period is granted.

The right is reserved by the Commissioner of Indian Affairs to reject any or all bids and to disapprove any lease made on an accepted bid. Should any bid be rejected after deposit is made, through no fault of the bidder, all moneys deposited will be returned. The term of the lease will be ten years from the date of approval by the Commissioner of Indian Affairs, and as much longer thereafter as the substances specified in the leases are produced in paying quantities.

The lessee must furnish a satisfactory surety bond as required by the regulations in the amount of $15,000.

Bids received will be referred to the Ute Business Committee on Tribal lands for the recommendation of that Committee as to acceptance or rejection before such bids are referred to the Commissioner of Indian Affairs for final action. Bids received on Allotted Indian lands will be referred to the owners of such allotments for acceptance before further action is taken by this office. Only as such bids are approved by such owners can a lease be drawn.

All bids must be marked on the outside of the envelope, "Bid on Oil and Gas Lease, Indian lands, not to be opened until 2:00 o'clock P. M., December 18, 1947."
